

UW Madison Fungal Supergroup: 2nd annual Undergraduate Research Symposium

Friday, May 3rd @ 3 – 5pm
Location: Microbial Sciences
Building (MSB) 3rd floor,
3411a - Small Atrium

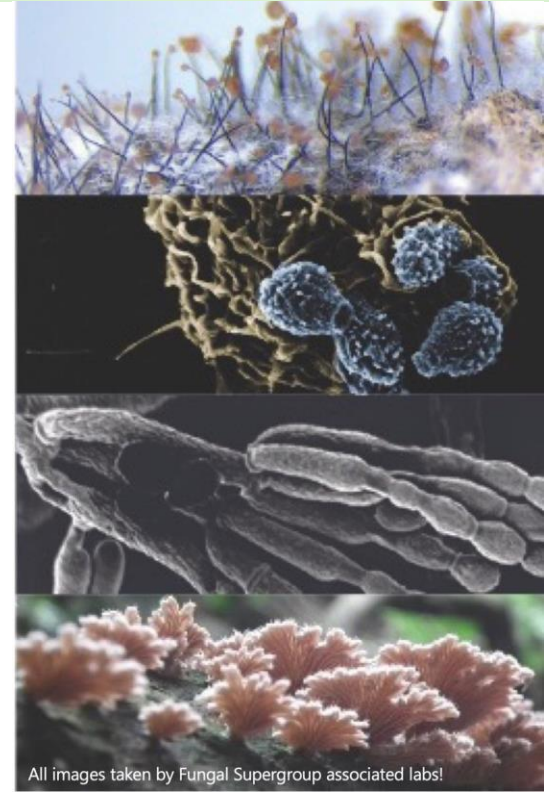

Calling all undergraduates conducting fungal research!

Join us in a potluck-style, low stakes poster session featuring the undergraduates of our community showcasing their fantastic work in fungal research. We invite undergraduates from all research experience levels in your lab to participate and share their work. Awards will be granted to the top poster presentations!

Undergraduates: [register here!](#) by April 20th

Group leaders:

We request that each lab group **bring at least one snack** to contribute to the potluck. The coordinating committee will take care of beverages. Sign up for what your lab plans to bring on [this potluck planning spreadsheet](#).
